Thank you for your interest in the Franciscan Health Registered Nurse Refresher Program. To qualify, you must have taken and passed NCLEX, and hold or have held a registered nurse (RN) license previously. If your RN license is not currently active, we will need to see a letter or email from the Nursing Board stating they are requiring you to take a refresher course. If you would like to enroll in the program or have any questions, please contact the Nurse Refresher staff at (317) 528-8453 or email the Nurse Refresher staff at Hospacore@franciscanalliance.org.

Once you are accepted into the program you may begin and progress through the online didactic course at your own pace; however, you must complete the course within 12 months of signing the enrollee agreement.

We offer several RN refresher orientation/enrollment sessions at the Franciscan Education Center, in Greenwood, Indiana each year. Prior to attending, we will gather information from you to obtain your computer access to over 1,200 online Elsevier (Mosby) skills, and several online text books. Payment in full for the didactic course is expected at the time of enrollment.

If you are unable to attend an orientation/enrollment session, but meet the enrollment requirements, you may be able to start remotely. Please contact us for more information.

We look forward to working with you.

Sara Colter, BSN, RN
Educational Coordinator
Franciscan Education Center
421 N. Emerson Avenue
Greenwood, IN 46143
